

APPENDIX 1: MAP OF THE VISUAL DATABASE AND STRIP-MAP GUIDE FOR THE DRIVER

Each participant drove a fixed-time route starting at Exit 7 (County Rd E) heading counterclockwise (see figure 16). Each driver was aware of the upcoming exits via a strip map depicted in figure 17.

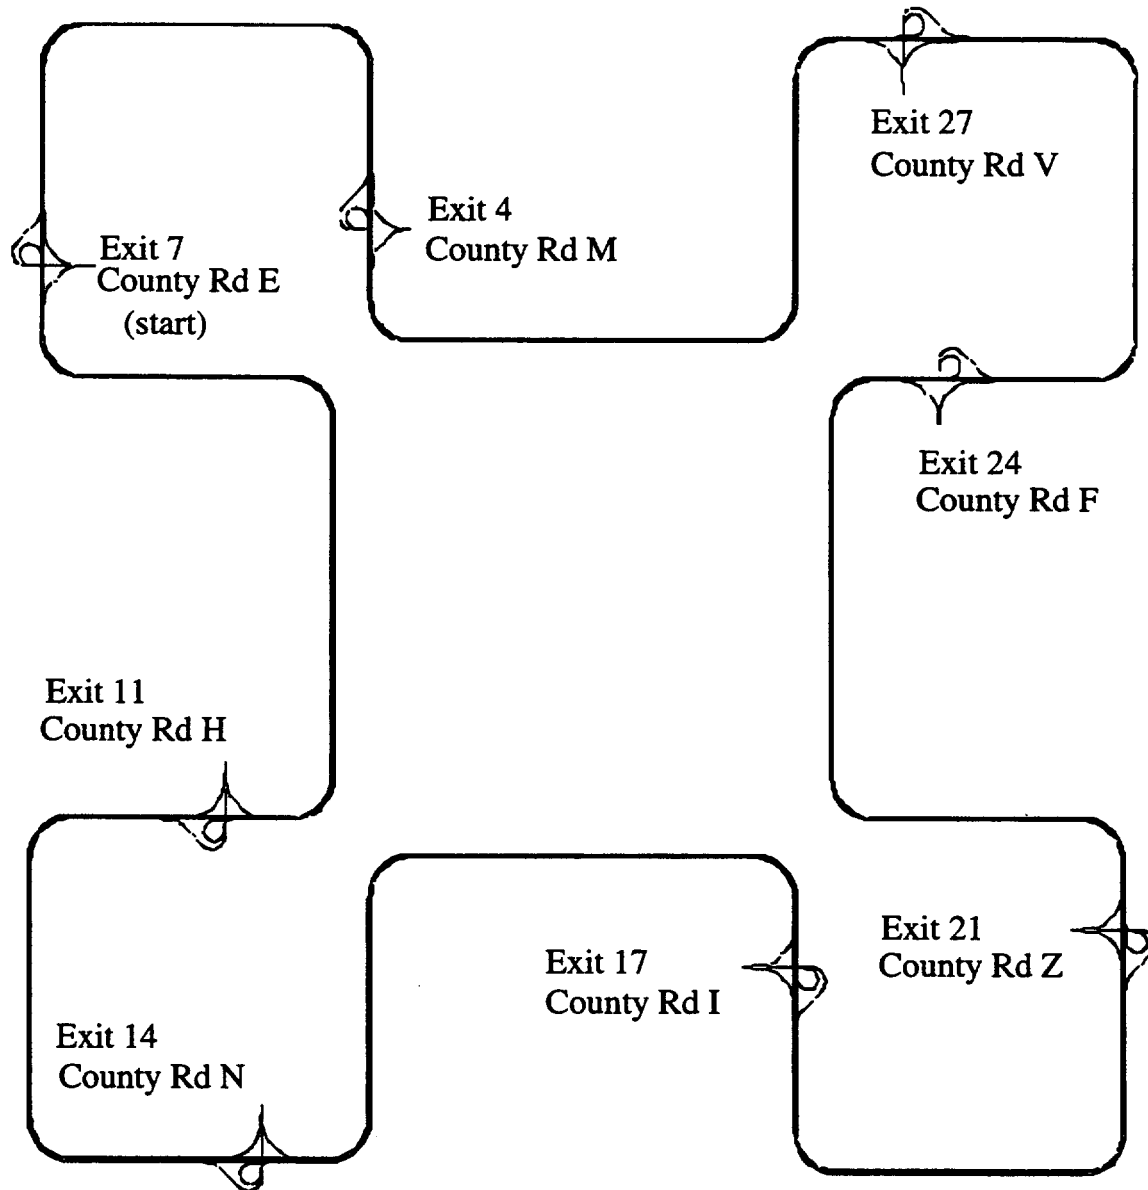

Figure 16. Map of the route driven in experiments 3, 4, and 5.

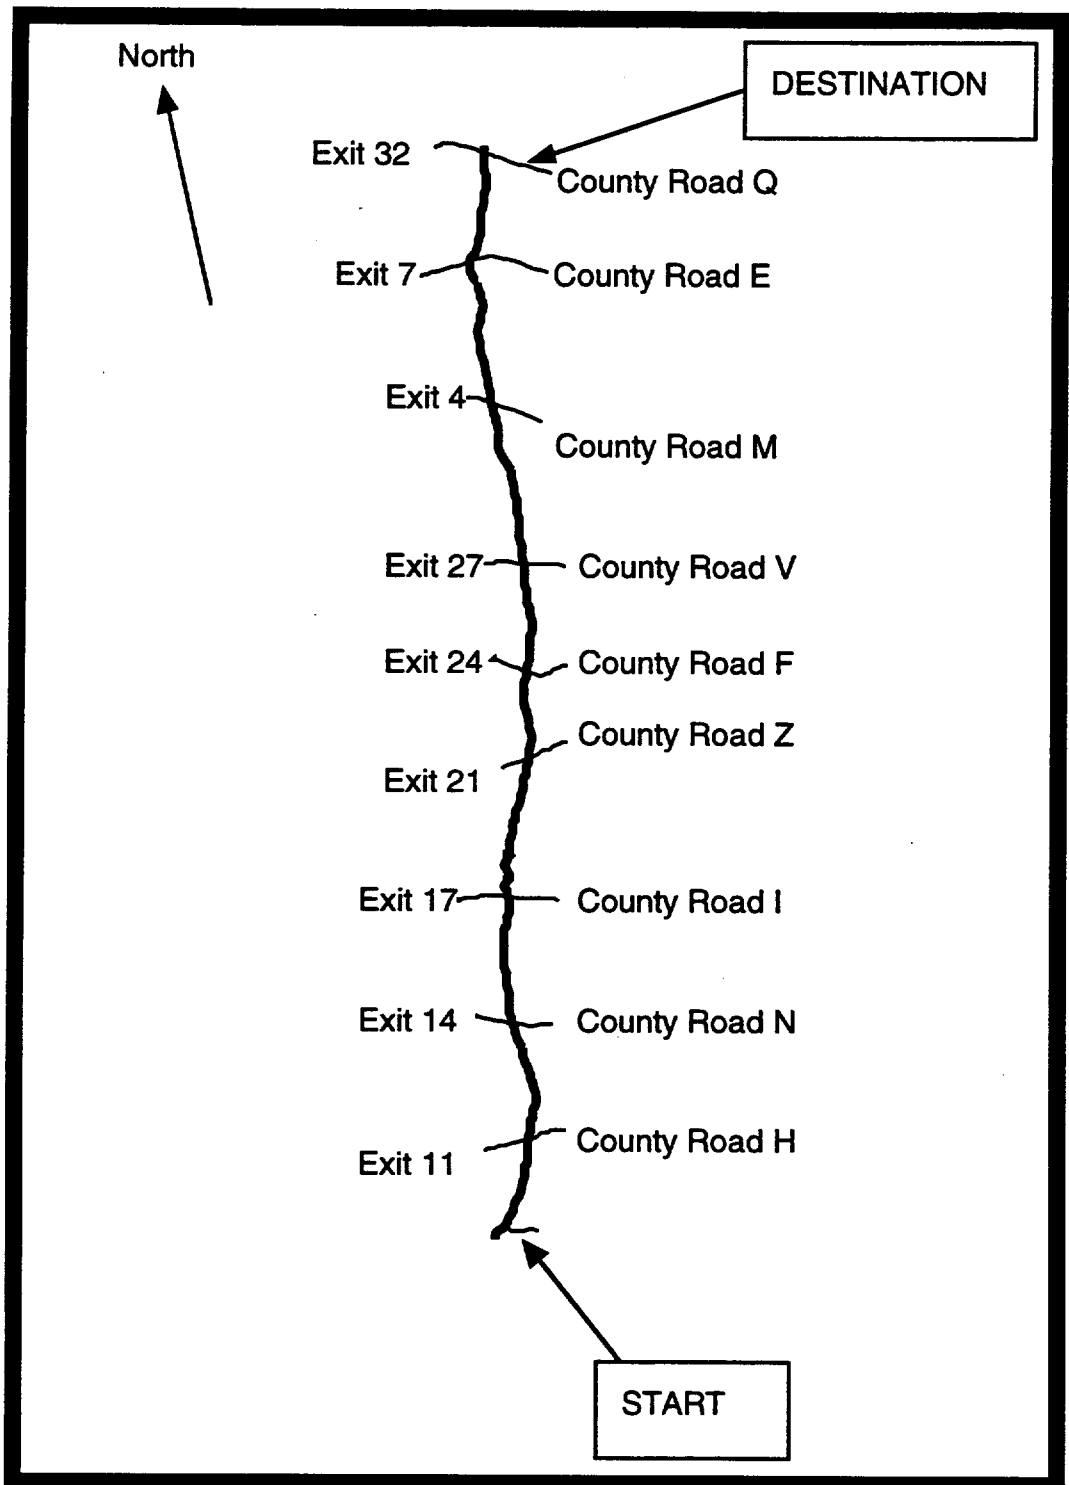

Figure 17. Strip map of the route given to drivers in experiments 3, 4, and 5.
